

Dear Community Supporter,

Join **Turning Wheels for Kids**, a program of Valley Health Foundation, at the annual Big Bike Build on Saturday, **December 13, at 8:30 AM** at the Santa Clara County Fairgrounds. During this day of giving, we will come together to build 1,000 brand new bikes for children and youth across Santa Clara County.

Your sponsorship not only supports new bikes, but also helmets and bike locks for children and youth in our community. This encourages the development of life-long habits of exercise, outdoor activity, and independence. Valley Health Foundation (VHF) is a non-profit leader in community health and healthcare that fundraises to support, innovate, and advocate better health for all.

Turning Wheels for Kids has distributed over 50,000 bikes to children and youth through its partner organizations throughout Santa Clara County.

From Mayfair Community Center, City of San Jose:

The children who received bikes have shown noticeable improvements in physical activity, as they're now more active and spending time outdoors. The bikes have provided much needed transportation support, making it easier for them to attend programs and activities. This has not only helped them stay more engaged, but has helped them get to places and be more involved in their community.

Please see the sponsorship menu to learn about the available opportunities and benefits. To confirm your donation, **please complete our online form** at:

<https://vhfca.link/sponsorTWFK> or contact us at turningwheelsforkids@vhfca.org

Thank you for your support of Valley Health Foundation and our mission to champion a healthier community for all.

Yours In Community Service,

Michael Elliott

PRESIDENT & EXECUTIVE DIRECTOR

All sponsorships are tax-deductible (Tax ID# 77-0187890).
